[Panache Digilife Limited gets stupendous recognition at EW India Eduresources Star Rating 2020](#)

Mumbai, 14th January, 2020: Panache Digilife Limited, (NSE Symbol: PANACHE), has been highly rated in the inaugural *Education World India Eduresources Star Rating 2020* with maximum seven stars awarded under the parameters User Interface Design, Value for Money & Innovation. The award was received by Mr. Amit Rambhia, Managing Director of the Company.

The EW India Eduresources Star Rating 2020 has been introduced by Education Worlds (Estb. 1999) – India’s Number one education news magazine is association with Edutech India of Nesco Exhibitions (Estb. 1939), one of the India’s largest event and exhibition company.

Mr. Amit Rambhia, Managing Director, Panache Digilife Limited commented:

“We are extremely delighted to be recognized for our Designs and Innovations at this grandeur event. This motivates us to further innovate and bring new product range for education sector.”

Panache Overview

Incorporated in March 2007, **Panache Digilife Limited**, is an ICT & IoT devices designing manufacturing, distribution and services company. Our Vision of “**Making Human Life Easy**” has led us to constantly innovate in technology space. The company is currently focused in solution space of Smart Compute Devices, Smart Tracking & Assets Management, Retail IoT, Healthy Living Solution and Pen Display Solution.

Design philosophy for Company’s smart devices is based on A, B, C, D of the technology.

A being Analytics & Artificial Intelligence

B is Big Data

C is Connected & Cloud

D is Devices

The company has been listed on the NSE Emerge Platform in April 2017 and has migrated to main board of NSE effective from 6th January, 2020. It is headquartered in Mumbai along with manufacturing factory in Daman & Bhiwandi. With government reforms of Digital India and IoT taking over, the new factory at Bhiwandi will be contributing to the "Make In India" initiative which the company is highly promoting. The Company at present caters to both domestic and international markets.

The factories focus on manufacture of Smart Compute Devices, Smart Tracking & Assets Management, Retail IoT, Healthy Living Solution, Pen Display Solution and custom design devices and are spread over 50,000+ Sq Ft. of area. The new factory at Bhiwandi focuses on improvising TQM (Total Quality Management), JIT (Just-in-Time) production and DFM (Design for Manufacturability), which helps the Company to fulfil the growing demand from its customers. The manufacturing capacity of Bhiwandi factory is approximately five Lakh units annually. With such strong manufacturing capabilities and experience of the management, Panache is able to be appointed as OEM for India's largest online retail Company.

Recently Panache is appointed by ViewSonic International Corporation, a Taiwan corporation (ViewSonic Taiwan) as its exclusive distributor for the promotion and sale of Pen Display, related peripherals and ancillary products on pan India basis.

Panache Digilife is committed to serving global solution integrators with flexible tailor-made designs and manufacturing services. Delivered straight from our OEM/ODM Team, Panache Digilife's products benefit its clients by way of lower manufacturing costs as well as shorter lead time for product development. Product innovation and getting new product to market quickly is increasingly important but often difficult to execute. Panache can help by developing an environment that supports rapid prototyping, harvesting ideas, taking calculated risks, and eliminating friction in getting products developed and into the hands of potential users.
